Wexford's newest and most bespoke Scout and Guide Campsite is nestled into the Sunny Southeast of Ireland, just 3 minutes from Rosslare Europort & only 1 ½ hours from Dublin, making it very easy to reach us!

Full of facilities and extras to make your stay more comfortable, including large toilet facilities, showers, pot wash areas, campfire, on-site shop and lots of other things to suit both youth and adult members alike!

What makes this Scout and Guide Campsite quite different is the fact that we also have our very own Outdoor Adventure Centre on the same campus! Go wild on our High Ropes courses, make a splash in our purpose-built activity lake from your raft or kayak, shoot your mates in the adrenaline pumping Battlezone Archery tagging game and much, much, more!

So Scouts & Guides of all ages can have action-packed adventures and camps and the adults can enjoy their holiday too, knowing that they can have their programme pre-organised with our team before they even get here!

Prices

Camping fees are €7 per adult or child per night. Activities cost extra and can be booked on request. We design your camp around you and your budget!

Booking
